SUMMARY

Analytical graduate focused on translating complex business requirements into technical solutions. Highly detail-oriented and committed to automating workflows to resolve data anomalies and improve operational efficiency.

SKILL

- Programming languages JAVA and PYTHON basics
- , SAS programming. SAS PROC and SAS MACRO basics.
- Web Development HTML basics
- Database Management SQL, MySQL

Tools Oracle HTML DB, Eclipse, MicrosoftExcel, MSPowerPoint,MS word, WPS Office, Mysql.

SOFT SKILLS

- Badminton
- Artisan
- Leadership
- Creative and willingness to learn new things

LANGUAGE

KANNADA | ENGLISH | TELUGU | HINDI

CERTIFICATIONS

- Fundamentals of cryptography,infosys
- Beginners guide for deep leraning,simplilearn
- Full stack web development,Varcoons technologies
- SAS Programming - Data Analysis from Beginner to Advanced, Udemy

EDUCATION

RYM Engineering college (2021-2025) Bellary, India

B.E in Computer Science and Engineering,
GPA: -80.57%

BEST-PU College (2019-2021) Ballari, India

intermediate in PU-PCMC(Science)
GPA:-79.83%

Vivekananda school (2018-2019)Ballari, India

SSLC (sanskrit as first language)
GPA:-90.56%

ACADEMIC PROJECTS

Pharmacy Supply Management System Dec '23 — Mar '24

- Project mainly focuses on online medicine order system and customer service and project customized with user friendly interfaces and optimized billing system.
- A web application used to sell and manage the medicine stocks and compute the customer service.
- The technologies used in this project are SQLite Django for backend and HTML, CSS and angular JavaScript for Frontend.

SIGNATURE FORGERY DETECTION SYSTEM Nov '24 — Feb '25

- It mainly focuses on signature forgery classification based on genuine and forged using Siamese network classifier with contrastive loss function.
- This project is developed using deep neural network like SNN and multi CNN layer with the use of ML approaches.
- It's going to verify the signature based on the distance metrics between the input pair of signatures

ACHIEVEMENTS

- **District level badminton**
badminton association of india
- **University level badminton**
Association of indian universities

ADDITIONAL INFORMATION

- Organized a state level IT fest called VIDHARA as a student coordinator in RYMEC
- Cultural and sports coordinator of department event
